MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Director of Central Intelligence

SUBJECT: Debrief - McFarlane Meeting, 17 March 1984

-- I stressed the importance of being able to clearly explain the terrorist structure as called for by Senator Nunn - with diagram. The NSDD has been redrafted and should be over here. If not, we can get it. Bud was not clear as to the status of the law against conspiring to maim, etc. He seemed to think a Justice Department opinion would handle the issue satisfactorily. I said that Vessey and I had objected at the NSPG and the issue thrashed out before issuing an NSDD.

-- Reviewed the [ ] matter strongly and promised a response to his letter--have since become inclined to press for a broadened NSDD addressing policy as well as intelligence matters.
